Everyone loves a love story told of a maid and a man but listen to my love story it ended before it began

A beautiful lady in blue we met just like two shadows do not one word was said, she kissed me and fled and our little romance was thru

A beautiful lady in blue she thought I was someone she knew her lips so dive vine were not meant for mine the night seemed to laugh at us too

How did I know she was lovely? there wasn't a
moon-beam a - glow how would I know theres a Heav-en
un - less my heart told me so? a beau - ti - ful la - dy in blue
and strange as it may sound to you a life - time was spent in
one lit - tle mo - ment with a beau - ti - ful la - dy in blue
