Before the next teardrop falls

Ben Peters and Vivian Keith

If he brings you happiness then I wish you both the
hurts to let you go darling I want you to
best, its your happiness that matters most of all
know that I'll stand by you if ever you should call
but if he ever breaks your heart if the teardrops ever
and if I should ever hear that he made you shed a
ever leaves you blue just remember I
start tea I'll be there before the next teardrop falls Tho' it
love you
falls I'll be there any time you need me by your
side to dry away every teardrop that you cried and if he
falls yes I'll be there before the next teardrop falls.
