Hey kids, shake it loose together The spot
Hey kids, plug into the faithless May
light's hitting something that's been known to change the weather
be they're blinded But Benjie makes them ageless
We'll kill the fattened calf tonight so stick a round
We shall survive, let us take ourselves a
long

You're Where we
gon-na hear electric music solid walls of sound
fight our parents out in the streets To find who's right & who's

Say,

Candy & Ronnie, have you seen them yet But

they're so spaced out,

Ben-nie & the Jets Oh

but they're weird & they're won-der-ful Oh
