By the rive of the roses

By the rive of the roses

I met her by the rive of the roses

the sweetest girl

side of the Alamo

I left her by the rive of the roses

with tear-dimmed eyes she whispered I'll miss you so all the roses have faded

ded since we've been apart but the one rose she gave me

will always bloom within my heart and someday by the rive of the roses

I don't know when but we'll meet again I know,
