Crying in the Chapel

You saw me crying in the chapel

I know the meaning of contentment

just a plain and simple chapel

I pray the Lord that I'll grow stronger

mind now I'm happy in the chapel

we gather in the chapel

Ev'ry sinner look for way.

some-thing

Now I am happy with the Lord

where humble people go to pray

then you'll be happy with the Lord

as I live from day to day

you'll search and you'll search but

mind take your troubles to the chapel

your burdens will be lighter

tears I shed were tears of joy

there is only one true answer

meet your neighbour in the chapel

You'll know the meaning of contentment

you'll find no way on earth to gain peace of

people are of one accord

get down on your knees and pray

just to sing and praise the Lord

and you'll surely find the
