The end of the world

Sylvia Dee

Arthur Kent

Why does the sun go on shining? Why does the sea rush to shore?

Dont they know its the End of the world cause you dont love me any more?

why do the birds go on singing? why do the stars glow above?

dont they know its the End of the world it ended when I lost your love I

wake up in the morning and I wonder why everythings the same as it

was I

cant understand no I cant understand how life goes on the way it does

Why does my heart go on beating? Why do these eyes of mine cry?
Don't they know it's the End of the world it ended when you said goodbye.
