The Night They Drove Old Dixie Down

Robbie Robertson

Verse

Virgil Caine is the name and I served on the Danville train

Til Stone-man's Cavalry came and tore up the tracks again

In the winter of sixty-five we were hungry just barely alive

By May the tenth Richmond had fell it was a time I remember oh, so well

Chorus

The night they drove old Dixie down

and all the bells were ringing The night they drove old Dixie down and all the

people were singing They went La la la la, la La la la la la la
