The Wind Beneath My Wings

unknown

G

It must have been cold there in my shadow
So I was the one with all the glory

C

G

to never have sunlight in your face
while you were the one with all the strength

C

Am

you were content to let me shine
beautiful face with out a name

D7

Am

you always walked a step behind
beautiful smile to hide the pain

D7

Em

Did you ever know that you're my hero

C

G

D7

and everything I'd like to be like to

C

G

Em

be I can fly higher than an eagle
cause you are the wind beneath my wings
