Tonight

Stephen Sondheim

Leonard Bernstein

To-night, to-night won't be just any night. To-night there will be

no morning star. To-night, to-night I'll see my love to-

ight, and for us, stars will stop where they are! To-day the

minutes seem like hours, The hours go so slowly and still the sky is

light. Oh moon grow bright, and make this endless day, endless

night, to-night. To-night.
